MEMORANDUM FOR THE SECRETARY

THROUGH: DAVID M. KLAUS 
DEPUTY UNDER SECRETARY FOR MANAGEMENT
AND PERFORMANCE

FROM: INGRID KOLB 
DIRECTOR, OFFICE OF MANAGEMENT

SUBJECT: Approval by the Secretary to designate the Director, Office of
Asset Management, as the Head of Contracting Activity (HCA) for
real property, and delegation of related authorities.

ISSUE: Whether to designate the Director, Office of Asset Management, as the HCA for real property and delegate related authorities to the Director.

BACKGROUND: Due to reorganization of the Office of Management, a new HCA for real property must be designated. HCAs are normally designated by the Senior Procurement Executive (SPE), however in this case the SPE has not been delegated the authorities necessary to act as the HCA for real property and therefore cannot redelegate them to the new HCA for real property. The Under Secretary for Management and Performance has both delegated authority to designate HCAs and to re-delegate the related real property authorities. However, because the office of the Under Secretary for Management and Performance is currently vacant, and the Deputy Under Secretary for Management and Performance, does not have the authority to redelegate the necessary real property authorities, you are the only official able to both make the designation and delegate the necessary authorities to perform the role of HCA for real property.

RECOMMENDATION: That you approve the designation of the Director, Office of Asset Management, as the HCA for real property and delegate related authorities as described in the attached Redesignation/Designation Order.
